1. WELCOME & INTRODUCTION

On behalf of USA BMX I am thrilled to welcome you to the United States Olympic Training Center in Chula Vista for the final round of the 2013 UCI BMX Supercross World Cup Series. This location truly has it all with three BMX tracks including a standard BMX track, replica of the 2008 Beijing Olympic track as well as our competition site which is similar to the London Olympic track.

Your host, USA BMX, is the largest promoter of BMX racing in the World sanctioning more than 12,000 BMX races annually with over 70,000 members and 380 sanctioned BMX tracks. Annually this event is one of the most exciting and action packed events for our great sport, which includes the BMX Supercross event, USA BMX Hall of Fame Nationals and the National BMX Hall of Fame Induction Ceremony all on one site. Friday, Saturday and Sunday USA BMX will host the Hall of Fame Nationals, which will feature more than 1,000 amateur racers from more than 40 states. Saturday night at the conclusion of the BMX Supercross event USA BMX will host the annual National Hall of Fame Induction Ceremony. This event celebrates the founders and leaders of BMX racing and freestyle and is an event you simply do not want to miss.

This competition guide should give you all the information you need for a successful and enjoyable competition but if you require further information or have any questions please contact the organizing team on amy@usabmx.com.

The event will be held at the U.S. Olympic Training Center and their BMX Supercross track built specifically to train for the 2012 Olympics. The U.S. Olympic Training Center in Chula Vista is the first USOC training facility to be master-planned from the ground up and is dedicated to the development of America's future Olympic athletes. The year-round, warm-weather facility in Chula Vista, Calif., was a gift to the United States Olympic Committee from the San Diego National Sports Training Foundation, a group of dedicated business and community leaders, and volunteers who raised the funds to build the Center.

The Training Center rests on a 150-acre complex adjacent to Lower Otay Lake in San Diego County. The center has sport venues and support facilities for nine Olympic sports: archery, canoe/kayak, cycling, field hockey, rowing, soccer, softball, tennis, and track & field.
